Velliv is required to register and notify the tax authorities if you are resident outside Denmark. We therefore ask you to inform us of your country of residence and your corresponding foreign tax identification number ("TIN number") for that country.

It is important that you fill in this declaration and send it to us as soon as possible so that your pension scheme can be set up in Velliv. If we do not receive this self-declaration complete with your country of residence and TIN number, Velliv may be required to place a 24-month freeze on your savings, and in extreme cases the Danish Tax Agency may confiscate your savings with us.

Where do I find my TIN number?

If you are not sure what your TIN number is, you can read more here: **Tax Identification Numbers (TINs)**. Alternatively, you can contact the tax authorities in your country of residence.

Please state your country of residence and TIN number here:
